RE: Report Number 05-30427-DTR, A Certificate of Need Determination Inquiry  
Pastoral Counseling Center of West Hartford, Inc  
Closure of two psychiatric outpatient clinics in Woodbury and Waterbury

Dear Rev. Horn:

The Office of Health Care Access ("OHCA") has received from the Department of Public Health, two facility licensure change sheets (see attached) which indicate that, effective November 19, 2004, Pastoral Counseling Center of West Hartford, Inc. ("PCCWH") had closed its psychiatric outpatient facilities in Woodbury (CT License #0353) and Waterbury (CT License #0365). OHCA does not have a Certificate of Need application or Certificate of Need Determination on record regarding the closing of these health care programs. Pursuant to Section 19a-638(a)(3) of the Connecticut General Statutes "*Each health care facility or institution or state health care facility or institution which intends to terminate a health service offered by such facility or institution or decrease substantially its total bed capacity, shall submit to the office, prior to the proposed date of such termination or decrease, a request to undertake such termination or decrease.*"

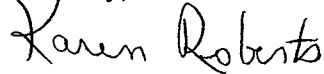

In order for OHCA to determine whether Pastoral Counseling Center of West Hartford, Inc. requires OHCA authorization pursuant to Section 19a-638 of the Connecticut General Statutes, OHCA requires the following information for each of the two closed psychiatric outpatient clinics:

1. Please verify whether PCCWH had closed either or both of the two outpatient psychiatric facilities in Woodbury and Waterbury.
2. If either or both of the PCCWH outpatient psychiatric services remain in operation, please explain the change that took place on November 19, 2004.
3. Identify the addresses of PCCWH's remaining operational locations and what licensure category(ies) are associated with each location.
4. How many clients or patients were enrolled in each of the PCCWH programs in Woodbury and Waterbury one year prior to and one month prior to closure of the program?
5. Identify the towns of origin for the patients enrolled in each of the PCCWH closed locations one month prior to closure of the program.

6. What other comparable mental health providers are located in the same or contiguous towns as the closed facilities?
7. Had information been provided to patients regarding these other behavioral health providers? Were these other providers notified of the closing of the PCCWH programs and had they indicated the ability to accommodate PCCWH patients?
8. How many of the patients enrolled in the programs at the closed clinic sites were accommodated at other PCCWH programs and where?
9. Was there post-closure contact with the patients that choose not to transfer to other PCCWH programs, in order to provide assistance in getting these patients into another area programs?

Please provide a response to the above inquiry by end of business day on **February 11, 2005**. Please file an original and two copies. If you have any questions on the above, please contact me at (860) 418-7041.

Sincerely,

Karen Roberts

Dear Ms. Roberts,

Please forgive the tardiness of this response. As you can see I began to address this issue the day after your first letter arrived. I was in the midst of compiling the demographic information you requested when I lost one family member and had critical medical issues arise with two others – one on-going.

I am pleased to be able to send you these materials now, and appreciate deeply your understanding of the negative impact life's unexpected turns can have on even the best-laid plans.

Please let me know if you have any questions or concerns regarding these matters. I can be reached at the address or phone number listed on this letter head, or at the email address [claireb@pccwh.org](mailto:claireb@pccwh.org). I am quite responsive to email.

Thank you for your time and attention to this matter.

From: the Pastoral Counseling Center of West Hartford, Inc.

Your therapist, Ray Odiorne, is concluding his work here at the Pastoral Counseling Center of West Hartford, Inc. and PCCWH will no longer run the offices in Woodbury and Waterbury.

We are notifying you of this for some special reasons:

Because of the nature of the relationship between a counselor and a client, changes in counseling are very significant events. We want to give you the opportunity to make some decisions about these changes.

Decisions are required relative to the following:

1. Whether or not you intend to continue counseling at this time.
2. Whether you intend to continue with your present counselor at a different location.
3. Whether or not you wish to continue with another Center counselor.
4. Whether or not you wish to be referred to another counselor outside of PCCWH.

We have been pleased to have you with us as a client of our Center, and we do want to see you through the continuation of your counseling. To that end, we will ask that you circle on of the above options, and that you will return this paper at your earliest convenience to:

The Rev. Claire W. Bamberg, D. Min  
Executive Director  
Pastoral Counseling Center of West Hartford, Inc.  
12 South Main Street  
West Hartford, CT 06107-2433

RE: Certificate of Need Determination; Report Number 05-30427-DTR  
Closure of two psychiatric outpatient clinics in Waterbury and Woodbury  
Pastoral Counseling Center of West Hartford, Inc.

Dear Rev. Bamberg:

On March 22, 2005, the Office of Health Care Access ("OHCA") received your letter, dated March 19, 2005, in response to OHCA's Certificate of Need ("CON") Determination inquiry letters dated January 13, 2005 and February 25, 2005 regarding the closing of two outpatient service locations of Pastoral Counseling Center of West Hartford, Inc. ("PCCWH"). Please be advised that OHCA has made the following findings regarding this matter:

1. PCCWH is a non-stock corporation operating psychiatric clinic sites in Connecticut.
2. PCCWH is a health care facility or institution as defined in Section 19a-630 of the Connecticut General Statutes ("C.G.S.").
3. PCCWH currently holds three licenses for Psychiatric Outpatient Clinic for Adults for the following service locations:

12 South Main Street, West Hartford

280 Country Club Road, Avon

2 North Eagleville Road, Storrs

*An Equal Opportunity Employer*  
410 Capitol Ave., MS#13HCA, P.O. Box 340308, Hartford, CT 06134-0308  
Telephone: (860) 418-7001 Toll-Free: 1-800-797-9688  
Fax: (860) 418-7053

4. Until November 19, 2004, PCCWH also held licenses for Psychiatric Outpatient Clinic for Adults for the following locations:

Main Street, Woodbury

2030 East Main Street, Waterbury

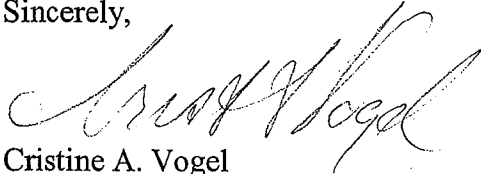

5. The licenses for these two service sites were returned to the Department of Public Health and the facilities were closed effective November 19, 2004.
6. None of the remaining operational locations of PCCWH are in the town of or in a town contiguous to Woodbury or Waterbury.
7. One year prior to the closing of these facilities, the Woodbury site was serving 5 clients and the Waterbury site was serving 7 clients. One month prior to the closing, the Woodbury site was serving 4 clients and the Waterbury site was serving 8 clients.
8. The towns of origin for these clients were Cheshire, Naugatuck, Northford, Plainville, Southbury, Waterbury, Woodbury and Wolcott.
9. The clinician who was providing services at these sites and to these clients on November 18, 2004 remains available to them in his private practice.
10. A letter was provided to clients of the Woodbury and Waterbury service locations which is dated November 18, 2004. Such letter indicates to the PCCWH clients that their therapist "Ray Odiorne, is concluding his work here ... and PCCWH will no longer run the offices in Woodbury and Waterbury." It further asks clients to indicate to PCCWH whether or not they will be continuing counseling at this time, continuing counseling with the present counselor at a different location, continuing counseling with PCCWH with another counselor or wish to be referred outside of PCCWH.
11. Section 19a-638 (a)(3) of the Connecticut General Statutes states "*Each health care facility or institution which intends to terminate a health service offered by such facility or institution ... shall submit to the office, prior to the proposed date of such termination .. a request to undertake such termination ...*"

Based on the above findings, OHCA has determined Pastoral Counseling Center of West Hartford, Inc., a health care facility or institution, is required to seek and obtain Certificate of Need approval for the termination of psychiatric outpatient services in Waterbury and Woodbury, pursuant to Section 19a-639(a)(3) of the Connecticut General Statutes.

OHCA considers the submission of information received on March 22, 2005 as the Letter of Intent for this matter; therefore PCCWH may file a completed CON application with OHCA between May 21, 2005, and July 20, 2005. The CON application is being mailed to your attention separately.

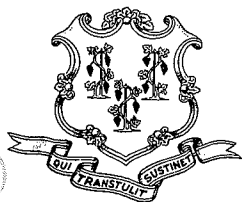

If you have any questions regarding the above, please contact Karen Roberts, OHCA  
Compliance Officer at (860) 418-7041.

Sincerely,

Cristine A. Vogel  
Commissioner
